**CERTIFICATE PROGRAM IN
BRITISH OBJECT RELATIONS PSYCHOTHERAPY
APPLICATION FORM**

To be admitted as a Candidate in the Certificate Program in Psychotherapy, the applicant must have a Master's degree in a mental health-related field, hold valid license, certification, or registration in a mental health field (or be licensed, certification, or registration eligible based on training and experience), and show an aptitude for depth in psychological work. Interested individuals from other academic disciplines will be considered for participation in the program on a non-clinical basis.

The program does not discriminate on the basis of age, race, and color, national or ethnic origin in its administration or educational policies. However, it is understood that applicants accepted to the COR Northwest Family Development Center will be fluent in the English language, written and spoken. Attempts will be made to accommodate the needs of program students with hearing, visual, and/or handicaps.
